

Provisional programme (as of 15th May 2018)

Time	Day 1, Wednesday 21 November 2018	Day 2, Thursday 22 November 2018	Day 3, Friday 23 November 2018
8:15 -	Registration & coffee	Registration	Registration
9:00-10:30	Welcome (09:00- 09:15) Plenary A Keynote address: <i>"New diseases in the 'Old World": Perspectives on pathogen emergence and capacity to respond in Africa and beyond"</i> Chair: Prof. Mike Catchpole (ECDC)	Plenary session C: "What have we overlooked in the epidemiology of antimicrobial resistance (AMR) in Europe?" Chairs: Prof. Bojana Beović (University of Ljubljana, Slovenia) and Dr. Chris Barbara (Mater Dei Hospital, Malta)	Plenary session D: "Respondent driven sampling for communicable disease control" Chairs: Dr. Aura Timen (Dutch National Institute for Public Health and Environment) and Dr. Fehminaz Temel (Public Health Institute of Turkey)
10:30-11:00	Poster mingle & refreshments	Poster mingle & refreshments	Poster mingle & refreshments
11:00-12:40	Parallel sessions 1. Antimicrobial resistance and healthcare-associated infections 2. Influenza and other respiratory viruses 3. HIV, sexually transmitted infections and viral hepatitis	Parallel sessions 7. Evaluation of Surveillance 8. Food- and water-borne diseases 9. Vaccine-preventable diseases	Parallel sessions 16. Emerging and vector-borne diseases 17. Influenza and other respiratory viruses 18. Vaccine- preventable diseases
12:40 -14:30	Lunch / Career compass	Lunch / EAN General Assembly	Lunch / Eurosurveillance seminar
14:30-15:30	Parallel sessions 4. Emerging and vector-borne diseases 5. Food- and waterborne diseases and zoonoses 6. Vaccine- preventable diseases	Parallel sessions 10. Food- and water-borne diseases 11. HIV, sexually transmitted infections and viral hepatitis 12. Tuberculosis and other respiratory diseases (excluding viruses)	Parallel sessions 19. HIV, sexually transmitted infections and viral hepatitis 20. Food- and waterborne diseases and zoonoses 21. Late breakers
15:40-16:40	Moderated poster session 1. Antimicrobial resistance 2. Healthcare-associated infections 3. Food- and waterborne diseases and zoonoses- Salmonella 4. Hepatitis B& C 5. Influenza and other respiratory viruses 6. Emerging and vector-borne diseases 7. Food- and waterborne diseases and zoonoses 8. Vaccine- preventable diseases	Moderated poster session 9. Antimicrobial resistance 10. Emerging and vector-borne diseases 11. Food- and waterborne diseases and zoonoses 12. Hepatitis A in MSM 13. Sexually transmitted infections (STI) 14. Vaccine- preventable diseases 15. Influenza and other respiratory viruses 16. Late Breakers	Moderated poster session 17. Food- and waterborne diseases and zoonoses 18. Emerging and vector-borne diseases 19. Healthcare-associated infections 20. HIV and viral hepatitis 21. Vaccine- preventable diseases 22. Vaccine effectiveness and impact studies 23. Influenza and other respiratory viruses 24. Tuberculosis and other respiratory diseases (excluding viruses)
16:40-17:00	Poster mingle & refreshments	Poster mingle & refreshments	Poster mingle & refreshments
17:00-18:30	Plenary session B: "Sequencing for Public Health; the four S's (sensing, surveillance, source attribution, and sharing)" Chairs: Dr. Osamah Hamouda (Robert Koch Institute, Germany), Dr Amrish Baidjoe (Imperial College London, UK), Dr. João André Carriço (Medical University of Lisbon, Portugal)	Parallel sessions 13. Vaccine-preventable diseases 14. Food- and waterborne diseases and zoonoses 15. Late breakers	Plenary session E: "Intercontinental response to emerging health threats: capacity and coordination" Chairs: Dr. Maria Van Kerkhove (WHO), Dr. Marion Muehlen (ECDC) and Prof. Karl Ekdahl (ECDC)
	Reception (18:45- 21:00)	BarCamp (18:45- 20:00)	Closing Ceremony and EAN prizes award (18:30- 18:40)
