### Call for abstracts will be open from 5 April until 15 May

The standard call for abstracts for ESCAIDE 2023 is open from 5 April to 15 May (23:59 CET). ESCAIDE welcomes abstracts in all areas applied to infectious disease and public health. We encourage submissions that inform public health actions, introduce new ideas, and bring new understandings to the field. Funding opportunities will also be available for abstract submitters.
