

# Newsletter 1: ESCAIDE 2021 online from 16 to 19 November. Save the date!

31 March 2021

## SAVE THE DATE **ESCAIDE 2021** 16-19 November online

### ESCAIDE updates

The [European Scientific Conference on Applied Infectious Disease Epidemiology](#) (ESCAIDE) is the leading conference in Europe dealing with public health, applied epidemiology and microbiology of infectious disease.

---

#### ESCAIDE 2021 goes online again

In 2021, ESCAIDE will go online again. A digital experience from 16 to 19 November, including keynotes, plenary sessions, abstract presentations, side-events, and networking activities that are always part of the conference.

#### Call for abstracts from 19 April to 19 May

This year we will run the standard abstract call from 19 April to 19 May and later on, there will be a call for late breakers, from 1 to 20 September. We welcome abstracts in all areas related to infectious disease prevention and control, including epidemiology, public health microbiology, surveillance, and the application of tools and methods to support infectious disease outbreaks or interventions.

#### Improve your abstract writing and reviewing skills

If you plan to submit an abstract to ESCAIDE, then this is for you. To begin with, you can complete the training on 'Essentials of writing and reviewing scientific abstracts', which is already available on ECDC Virtual Academy (EVA). Then, you can strengthen your skills by participating in a peer feedback activity, from 28 April to 12 May.
